SPE-PAPG ANNUAL TECHNICAL CONFERENCE & EXHIBITION, 2011

ISLAMABAD, PAKISTAN

Call For Papers

SPE-PAPG Annual Technical Conference and Exhibition is the prime technical event of the Upstream Oil and Gas industry of Pakistan. The event is jointly sponsored by the Pakistan Section of Society of Petroleum Engineers (SPE) and Pakistan Association of Petroleum Geoscientists (PAPG).

Professionals from the E&P industry are encouraged to present their research or case studies in this conference and share their knowledge with peer professionals.

Please clearly mention about your proposal whether it is for paper presentation or for poster. Also clearly mark if you are submitting the paper for SPE or PAPG session or for both.

Students are also encouraged to participate in the conference and required to submit their proposals for a separate session.

Following are the Technical Program Committee members who may be contacted at:

- Dr. Fareed Siddiqui
(Chairman ATC Technical Program Committee,
e-mail: atc2011@ppl.com.pk)
- Tahir Maqsood
(Co-Chair G&G, ATC Technical Program Committee,
e-mail: atc2011@ppl.com.pk)
- Agha Hassan Akram
(Co-Chair Petroleum Engineering, ATC Technical
Program Committee)
e-mail: atc2011@ppl.com.pk

Technical Categories and Topics

The event will cover following technical categories and topics that matter most to you:

Category: Geology & Geophysics

- Emerging Plays, Petroleum System & Basin Studies
- Prospect Generation - workflows, methodologies, Strategies
- QI/ Reservoir Geophysics, Seismic Acquisition/ Processing
- Production Geology, Reservoir Characterization & Modeling, Well-site Geology
- New Business Development, Unconventional Resources, E&P Strategies
- Field Geology/Mapping, Remote Sensing, GIS Applications

Category: Petroleum Engineering

- Reservoir Management
- Formation Evaluation
- Drilling Challenges
- Field Development
- Well Completions and Optimization
- Facilities
- Production
- Petroleum Economics
- Health, Security, Safety & Environment
- Unitization, Reserves Assessment, Co-Sharing Fields
- Data and Knowledge Management
- Skill Pool/Human Resource Management

Please send your proposals at the e-mail address atc2011@ppl.com.pk

Submission deadline Extended : **15 June 2011**

Paper proposal guidelines are available at http://www.spe.org/authors/docs/elements_proposal.pdf
